- 6.1. This Municipal Bidding Document (MBD) must form part of all bids¹ invited.
- 6.2. Section 4 (1) (b) (iii) of the Competition Act No. 89 of 1998, as amended, prohibits an agreement between, or concerted practice by, firms, or a decision by an association of firms, if it is between parties in a horizontal relationship and if it involves collusive bidding (or bid rigging).² Collusive bidding is a *pe se* prohibition meaning that it cannot be justified under any grounds.
- 6.3. Municipal Supply Regulation 38 (1) prescribes that a supply chain management policy must provide measures for the combating of abuse of the supply chain management system, and must enable the accounting officer, among others, to:
 - 6.3.1. take all reasonable steps to prevent such abuse;
 - 6.3.2. reject the bid of any bidder if that bidder or any of its directors has abused the supply chain management system of the municipality or municipal entity or has committed any improper conduct in relation to such system; and
 - 6.3.3. Cancel a contract awarded to a person if the person committed any corrupt or fraudulent act during the bidding process or the execution of the contract.
- 6.4. This MBD serves as a certificate of declaration that would be used by institutions to ensure that, when bids are considered, reasonable steps are taken to prevent any form of bid-rigging.
- 6.5. In order to give effect to the above, the attached Certificate of Bid Determination (MBD 9) must be completed and submitted with the bid:

¹ Includes price quotations, advertised competitive bids, limited bids and proposals.

² Bid rigging (or collusive bidding) occurs when businesses, that would otherwise be expected to compete, secretly conspire to raise prices or lower the quality of goods and / or services for purchasers who wish to acquire goods and / or services through a bidding process. Bid rigging is, therefore, an agreement between competitors not to compete.

Any supplementary services deemed necessary by the appointed service provider to enhance the conduct of auctions, subject to the Municipality's prior approval shall be the responsibility of the appointed service provider.

Bidders must have experience in auctioneering.

Bidders must have a full-time occupied office in the Western Cape from where business is conducted. Proof of address to be submitted. This is specified to minimize cost and practicality in meeting with the supplier.

- The amount realized for each lot.
- The gross amount realized.
- The right is reserved by the Municipality to cancel the auction at any time.

Buyers should take note that lots are sold "**voetstoots**" and that no claims will be considered by virtue of incorrect description, quantity, quality, condition or any other grounds.

All prospective buyers shall be registered by the auctioneer. Where applicable, registration shall occur after payment of a registration fee, determined by the Municipality in co-operation with the auctioneer.

The auctioneer is responsible for obtaining payment from the purchaser(s) before completion of the auction. The auction will be considered as completed two hours after the last bid has been knocked down or as determined by the municipality's representative providing the extended period falls on the same day of the auction.

The auctioneer shall only knock down a bid for a registered buyer. Buyers should take note that ownership of the goods sold, and risk shall pass to the buyer as soon as payment for the purchase has been received. Goods will be released by the municipality's representative only after payment has been received and upon production of an auctioneer's receipt of sales slip.

In cases of unsatisfactory performance by contractors, the Municipality is entitled to take corrective steps for example to cancel the contract and make alternative arrangements for the rendering of the service. Should these steps result in a loss of income or additional costs to the Municipality, the Municipality is entitled to claim damages, retain security or impose a penalty.

The auctioneer is responsible for the payment of VAT on the commission earned and the payment thereof to the South African Revenue Services.

The auctioneer shall not be part or party to a "Ring". Should any active association with a "Ring" be proved to the satisfaction of the Municipality, the contract with the auctioneer may be cancelled with immediate effect.
